Dedication

In Dedication:

For being an understanding teacher.

For believing in and supporting
school spirit.

For mixing fun with learning.

For being a teacher . . . and a friend.

Mrs. Linda Kelly

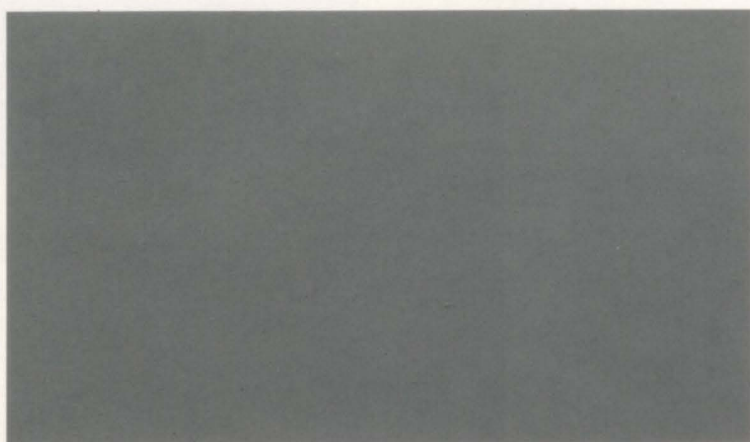

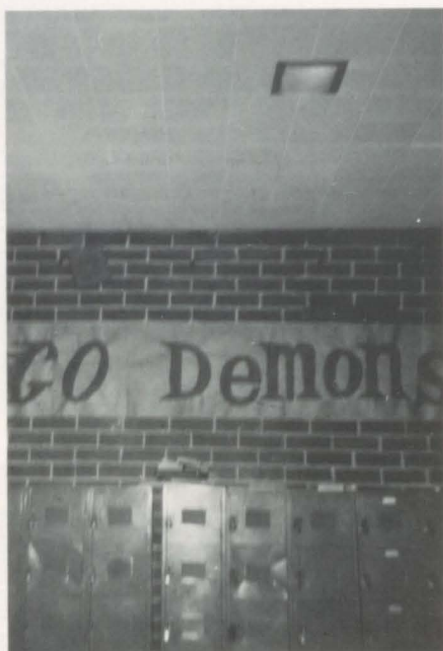

I saw and heard, and knew at last
The How and Why of all things, past
And present, and forevermore.
The universe, cleft to the core,
Lay open to my probing sense—

The world stands out on
either side
no wider than
the heart is wide;

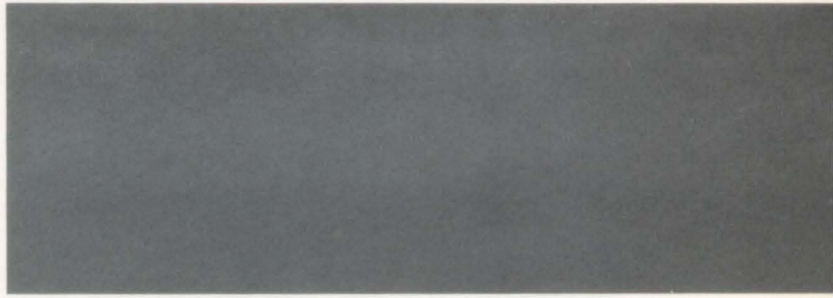

Another Day . . . Another Year has passed us by . . . but not without allowing us to feel the joys and sorrows; the doubts and fears, the victories of success and the pains of failure . . . As we glance back over the year it is not without mixed emotions.

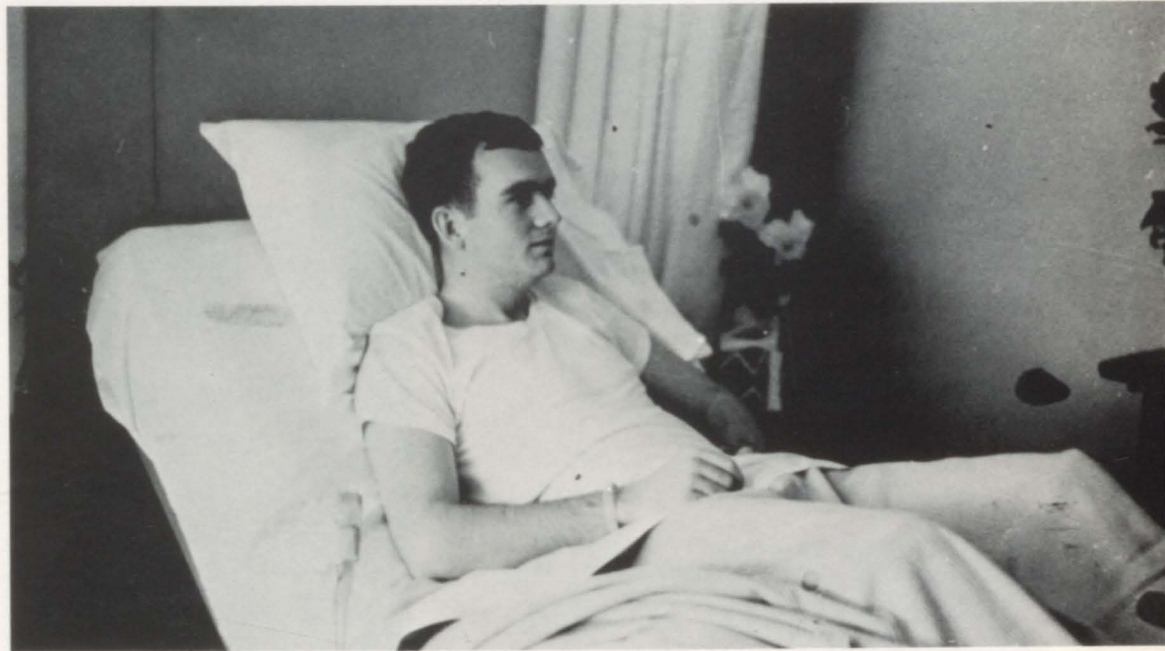

This Is the Way We Were . . .

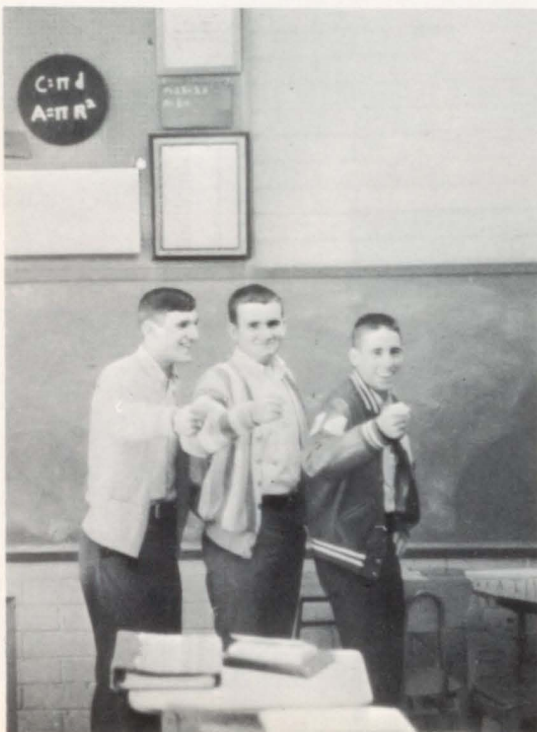

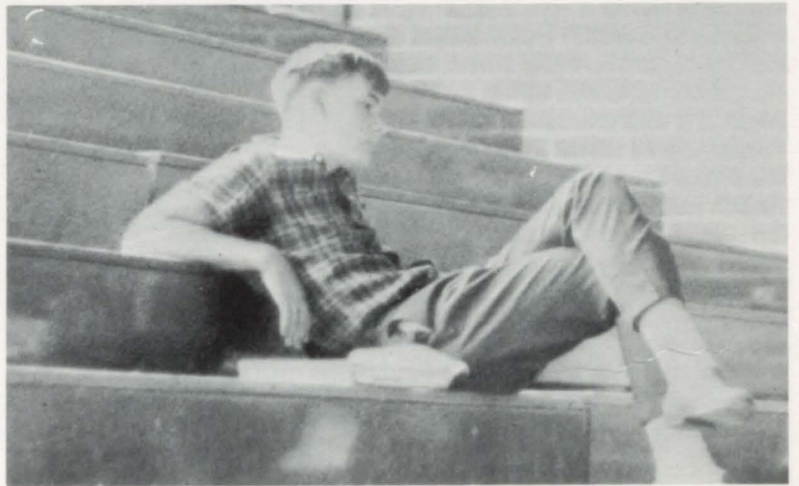

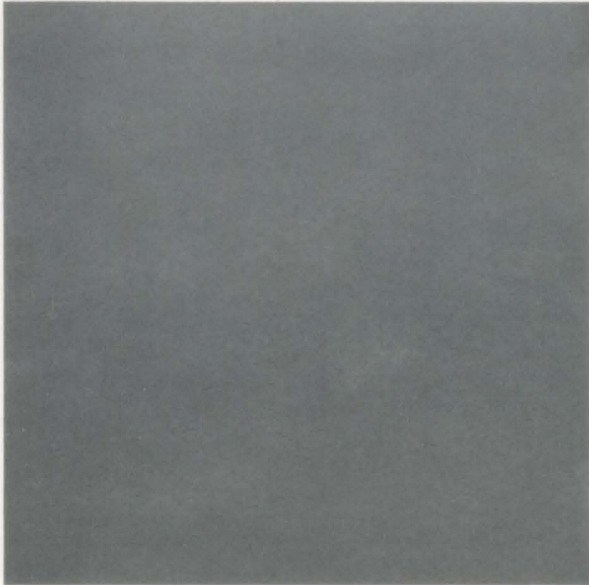

Is the Real Meaning of Life

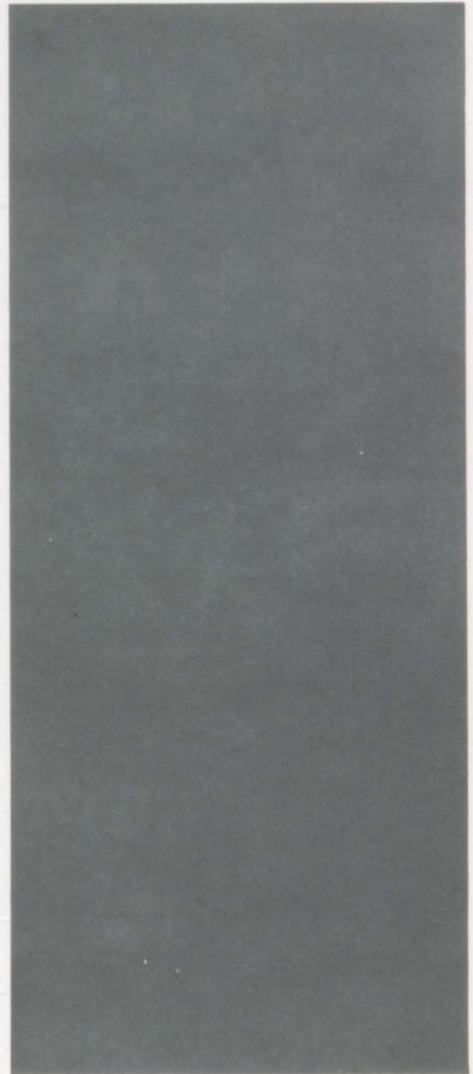

Realized While We Live It? Every Every Minute?

The Whole Town Can Hear the Yelling and Screaming From Those School Yards . . .

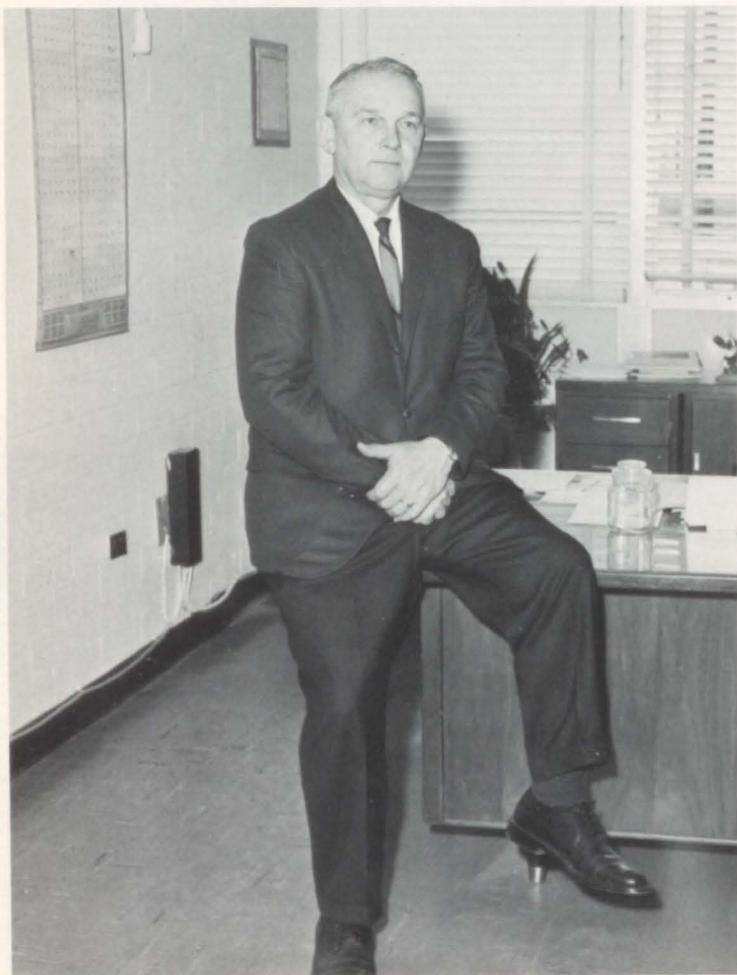

THIS IS OUR ADMINISTRATION

These are the people who affect our lives daily. Our school is fortunate to have the efficient and hard working staff who work day and night to promote the multi-fold purpose of learning as well as social activities and sports, all of which go to make of us tomorrow's leaders . . . Well, would you believe followers?

FALL:

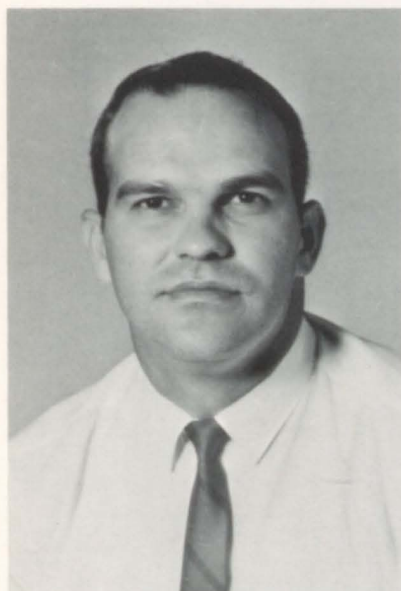

The beginning of a new school year; for those who return it is an "old friend" . . . for those new, it is the start of a different and soon exciting year . . . those who knew its old walls well, admire and respect it for being a special part of their life

As the season's sport enters, a warming spirit comes into the air; a devotion to the team, which in turn strengthens the devotion to the school . . . Yet, no matter what the loss in play, the feelings of the students are still in high respect for their team and school

Staff Seminar

The Pioneer Staff was gently introduced to the hard facts of producing a great year-book. At the Mercer University campus, Taylor Publishing Company held a seminar for its customers.

We listened; we got ideas; we had a cold lunch of chicken, slaw, cokes, biscuits and . . .

ANTS!?!

ANTS!?!

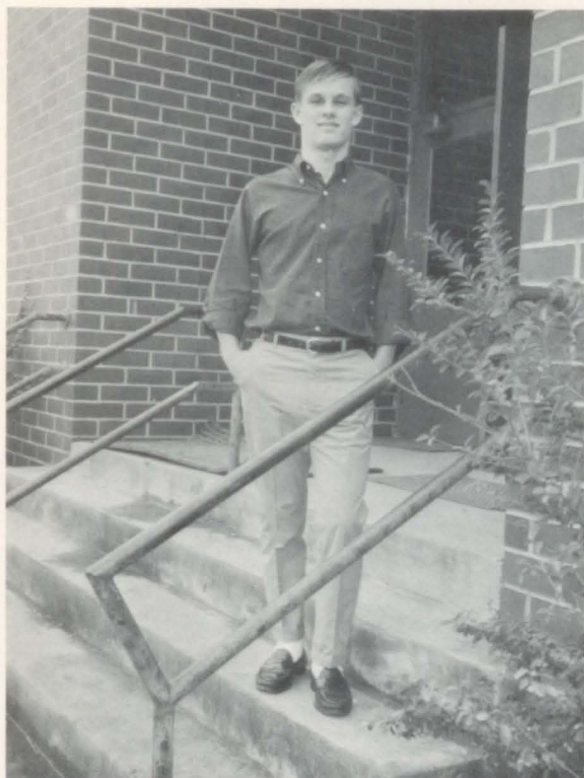

After the class sessions the staff decided to visit the campus book store and maybe find something of interest. Besides having all the supplies for the students, they carried a well stocked selection of varied and interesting books. Without a doubt we all found exactly what we wanted.

Varsity Basketball

The Demons came on with a late season surge to rank Number One in Middle Georgia and Number Two in their region during regular season play. This was due not only to their great playing ability but to their desire to win.

Although they had a fifteen and eight record, the Demons showed great potential as they reached the heights of Number Seven in Georgia 1-AAA standings.

Lamar Deaver, last year's B-Team coach, proved himself worthy during his first season as head basketball coach of the Demons. Credit should also be given to Don Lord, assistant coach, for his help in making the season a success.

to within three points, and took the lead with two minutes left to play. They went on nip and tuck to win 51-49. The following night the Demons pulled another last quarter rally. Beginning the final quarter the locals again found themselves behind. They overcame this deficit and led by one with 0:35 left to play. A sure victory turned to grief as a pass was intercepted and a foul committed. The foul shot was missed but consequently a field goal was made. The Demons, now behind one, made a final effort as Dennis Wells iced the game with a 30 foot goal leaving four seconds to play and a 58-57 victory for the Demons.

Demons Capture

The Warner Robins Demons battled their way to the finals of the 1-AAA tournament before bowing to the undefeated Baker Lions in the championship game. In reaching the finals, the Demons pulled off two come from behind rallies. In their opening game, the local squad found themselves behind nine points at the beginning of the final quarter. It seemed a sure victory for their opponent. But the fired up Demons edged (cont. on next pg.)

Demonettes Finish No. 1 in

SIDNEY WHITE

Coach Sid White's Demonettes captured the region 1-AAA crown with an exciting 35-32 victory over crosstown rival Northside. Warner Robins, defending state champions, and Northside finished one and two respectively during regular season play. Each had one loss being to each other. This resulted in the toss of a coin for the tournament. Luck proved helpful as the Demonettes won the toss but it was more than luck that won the championship for the girls.

It was obvious that it was no easy game as the score stood 4-3 at the end of one quarter. W.R. took a five point lead to the dressing room. At the end of three they were down one but then came on with a decisive victory. Charity tosses really were the deciding factor of the game as the Demonettes outdid them 19-4. Lynn Brazzell carried the team through the final quarter and finished as the games top scorer.

Both Northside and Warner Robins will represent their region in the State tournament.

The Demonettes started slow but now the defending state champions look as though they are headed for another title.

from "LIFE"

The World's a bubble, and the
Life of Man
Less than a span:
In his conception wretched,
from the tomb
So to the tomb;
Curst from the cradle, and
brought up to years
With cares and fears.
Who then to frail mortality
shall trust
But limns the water, or but
writes in dust?

Yet since with sorrow here we
lived opprest,
What life is best?
Courts are but only super-
ficial schools
To dandle fools:
The rural parts are turn'd
into a den
Of savage men:
And where's a city from all
vice so free
But may be term'd the worst
of all the three?

. . .

Our own affections still at
home to please
Is a disease:
To cross the sea to any
foreign soil,
Perils and toil:
Wars with their noise affright
us; when they cease,
We are worse in peace;—
What then remains, but that
we still should cry
Not to be born, or, being
born, to die?

Francis Bacon

from "THE THOUSANDTH MAN"

One man in a thousand, Soloman says,
 Will stick more close than a brother
 And it's worth while seeking him half your days
 If you find him before the other.
 Nine hundred and ninety-nine depend
 On what the world sees in you,
 But the Thousandth Man will stand your friend
 With the whole world agin you.

'Tis neither promise nor prayer nor show
 Will settle the finding for 'ee.
 Nine hundred and ninety-nine of 'em go
 By your looks or your acts or your glory
 But if he finds you and you find him,
 The rest of the world don't matter;
 For the Thousandth Man will sink or swim
 With you in any water.

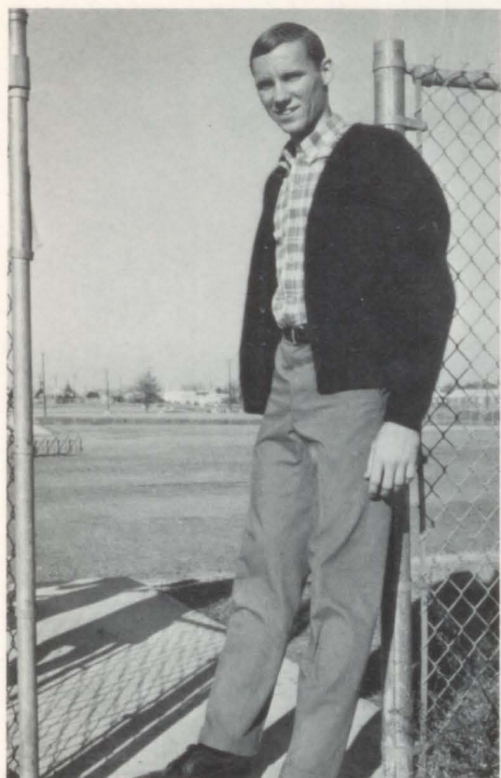

...

Nine hundred and ninety-nine can't bide
 The shame or the mocking laughter,
 But the Thousandth Man will stand by your side
 To the gallows-foot—and after!

Rudyard Kipling

1960

Together in infinite shade
They defy the invincible dawn:
The measure that never was made,
The line that never was drawn.

SPRING

Now, with the year at its end we begin to think and realize this year, for some, maybe just another but to some concerned, they stop, and to think to themselves "*This is my last year, it's hard to believe But I have enjoyed high school, and now that I am leaving, I will really miss it*"

EPILOGUE	212

. . . . As a Freshman I didn't consider myself that important, I was lost in a new place, filled with new faces and as a Sophomore there were many friends and we had a great time together then as a Junior I started growing up, because I knew I only had one year to go, and I had to start preparing myself for that world out there Now, it seems like only yesterday It all went so fast Yes, I am really going to miss my school, W.R.H.S."

The Student Council has been working steadily this year toward its goal of providing an intermediate level between the students and the faculty. Recently, under the direction of Mr. Barnes and Miss Carroll, the organization of the Council was patterned after that of our national government, with a Senate, House of Representatives, and Presidential Cabinet. The Student Council has proved to be a worthwhile contribution to WRHS.

The Bi-Chemi-Phy Science Club is organized for those students interested in science and related activities. The club has engaged in many activities, projects and services. For example, the club's projects and services included sponsoring our district science fair and presenting an exhibit at the Houston County Fair. Our club, at the last State Science Fair, won first place for AAA division achievement competition.

The Future Homemakers of America have been extremely busy this past year. We entertained the school with our annual Powderpuff football game; we had another exhibit at the Houston county fair; and we also worked on many constructive school improvement programs. The Future Homemakers of America Club works hard to be one of the most productive and vital organizations at Warner Robins High School. Membership in the FHA is open to anyone who has, or is taking home economics, and who is willing to strive to better herself and her community.

**God, Earth, and Myself Are Here . . .
Here Within Me Now.**

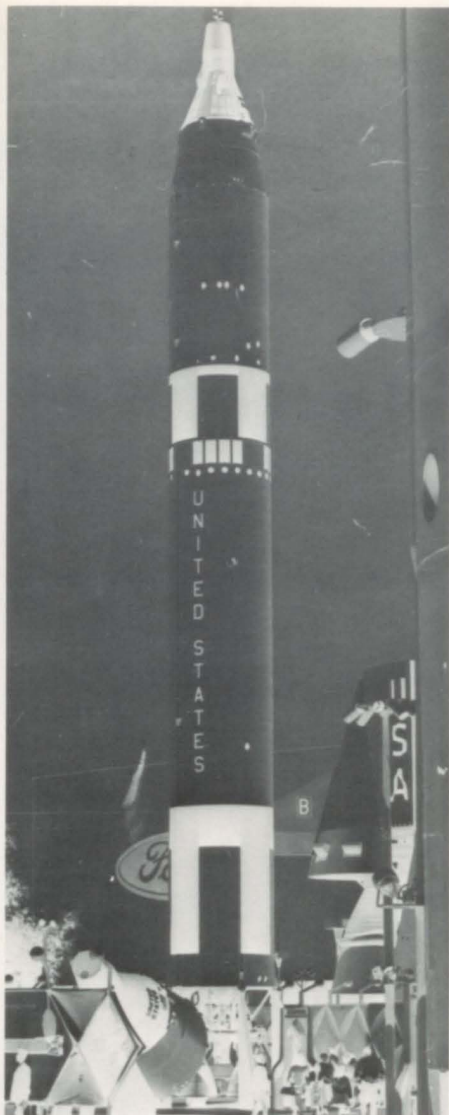

And they said to me . . .
 Truth will make you free . . .
 Seek and you will find . . .
 Make the world well.
 And I said to them . . .
 What is truth and by whose measure?
 Where will I seek and by what measure?
 How will I make the world well?

And they said to me . . .
 Truth is your choosing . . .
 Seek where you will . . .
 Your time will come . . .
 But make the world well.
 And I said to them . . .
 Truth is myself . . .
 My time is here . . .
 I have made my world well.

But yet another word I hear.
 Yes . . .
 You have found your truth . . .
 Your time is here . . .
 You have made your world well.
 But take these . . .
 your truth, your time, your world.
 Others beg of you to find them
 in your world.
 Help them to seek . . .
 show them your truth . . .
 Share with them your efforts

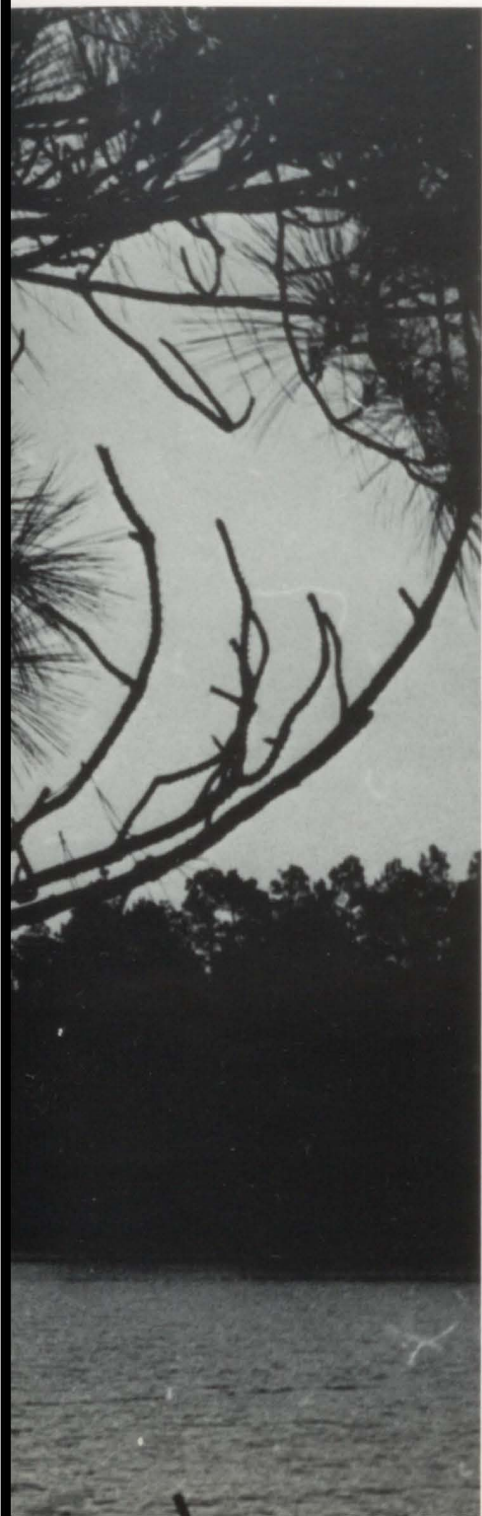

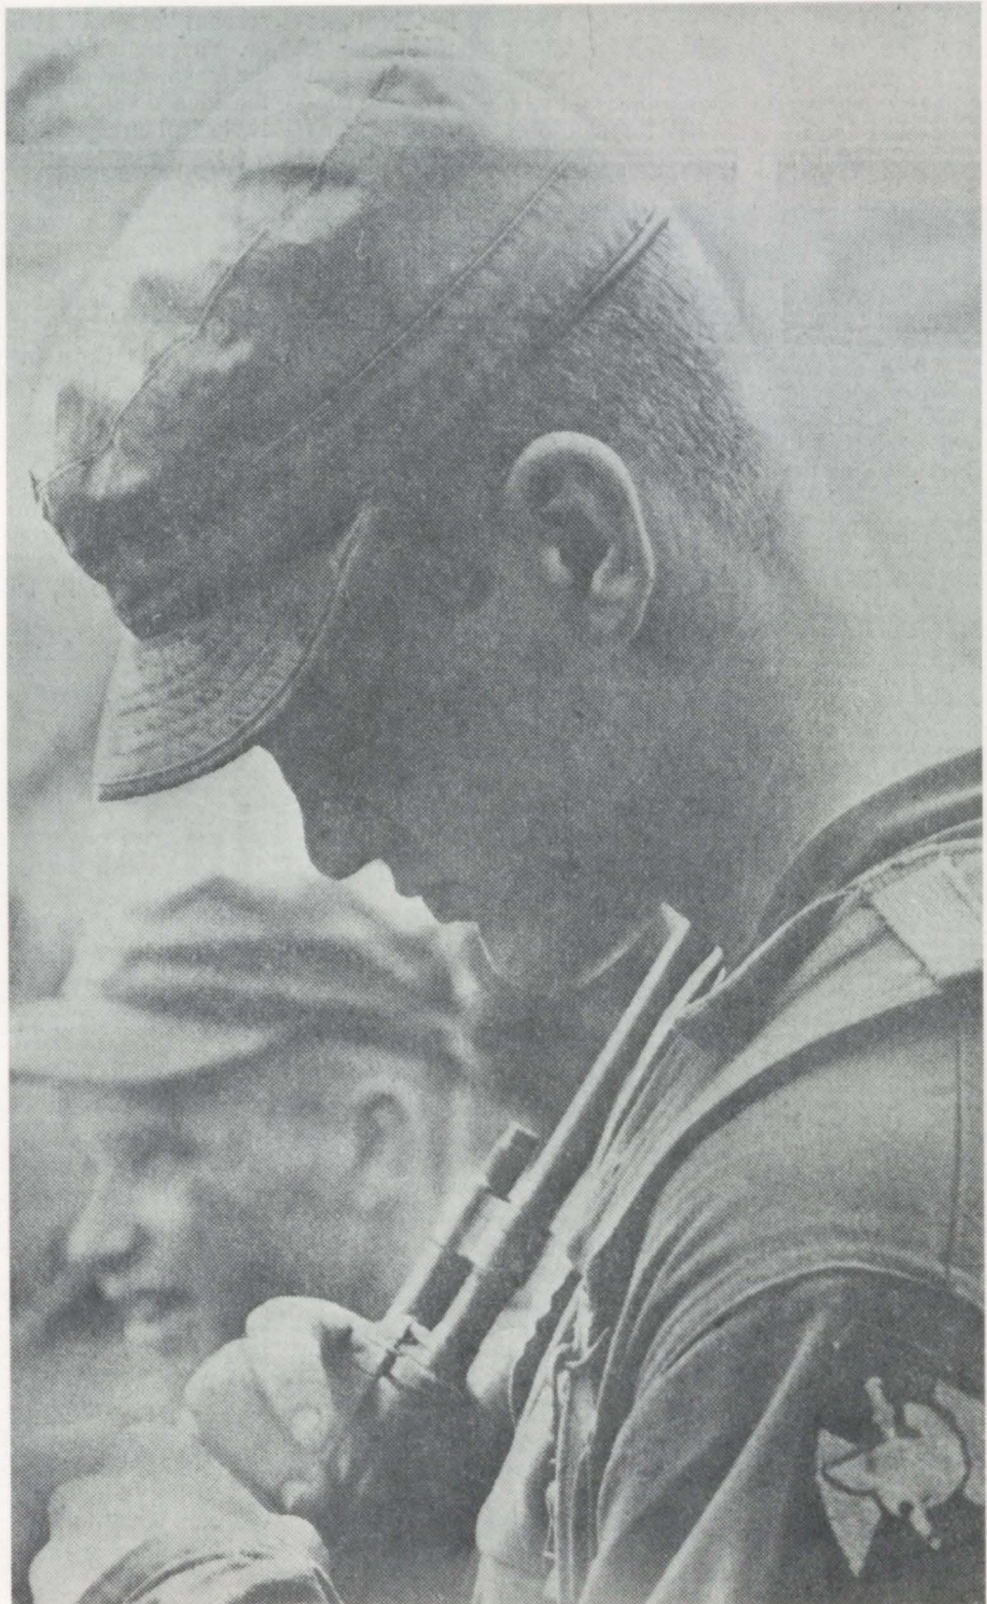

Give to them your love.
Help them with their efforts to
find
The life within their souls—
The gifts they possess.
All
that can make their
world well.

And together—with God's
help . . . we . . .
We will make our world
well . . .
And my son . . .
My daughter . . .
This time is yet to come.

Time passed as the leaf of
fall . . .
As the cold of winter . . .
And as the flower of spring
will pass.
And I . . .
Strange . .
But it lures me on.

To you, the students, we present the advertisers of the 1966 Pioneer. Without their cooperation and support this yearbook would not have been possible. To them we pledge, in return, our unanimity and loyalty.

To our advertisers we make a promise: To serve them and fulfill their desires and requests concerning the advertisements.

For them we hope their ads will bring hundreds of sales from the readers of this 1966 Pioneer. We urge our readers to patronize these advertisers.

How to put a yearbook together.

Acknowledgement

We of the 1966 Pioneer take this opportunity to acknowledge the magnificent efforts of our advisor and personal friend, MR. MAX CROFT.

. . . A man who has inspired our every movement, (often with shocking efficiency.) A man who is one of the nicest, refreshing, most versatile persons we have ever had the opportunity to associate with.

Not only that, but he personally dashed through smouldering ruins to rescue his box of Crayola crayons.

If you've never had an opportunity to meet Mr. Croft, you've missed a lot. Many of his students consider it an honor to get a 'C' from him. One fellow accidentally got an 'A+' and went into convulsive laughter; but he'd felt he'd earned it.

WE SALUTE YOU, SIR
WE LOVE YOU

. . . isn't that nice . . . but you're going to fail!

And so another year ends . . .

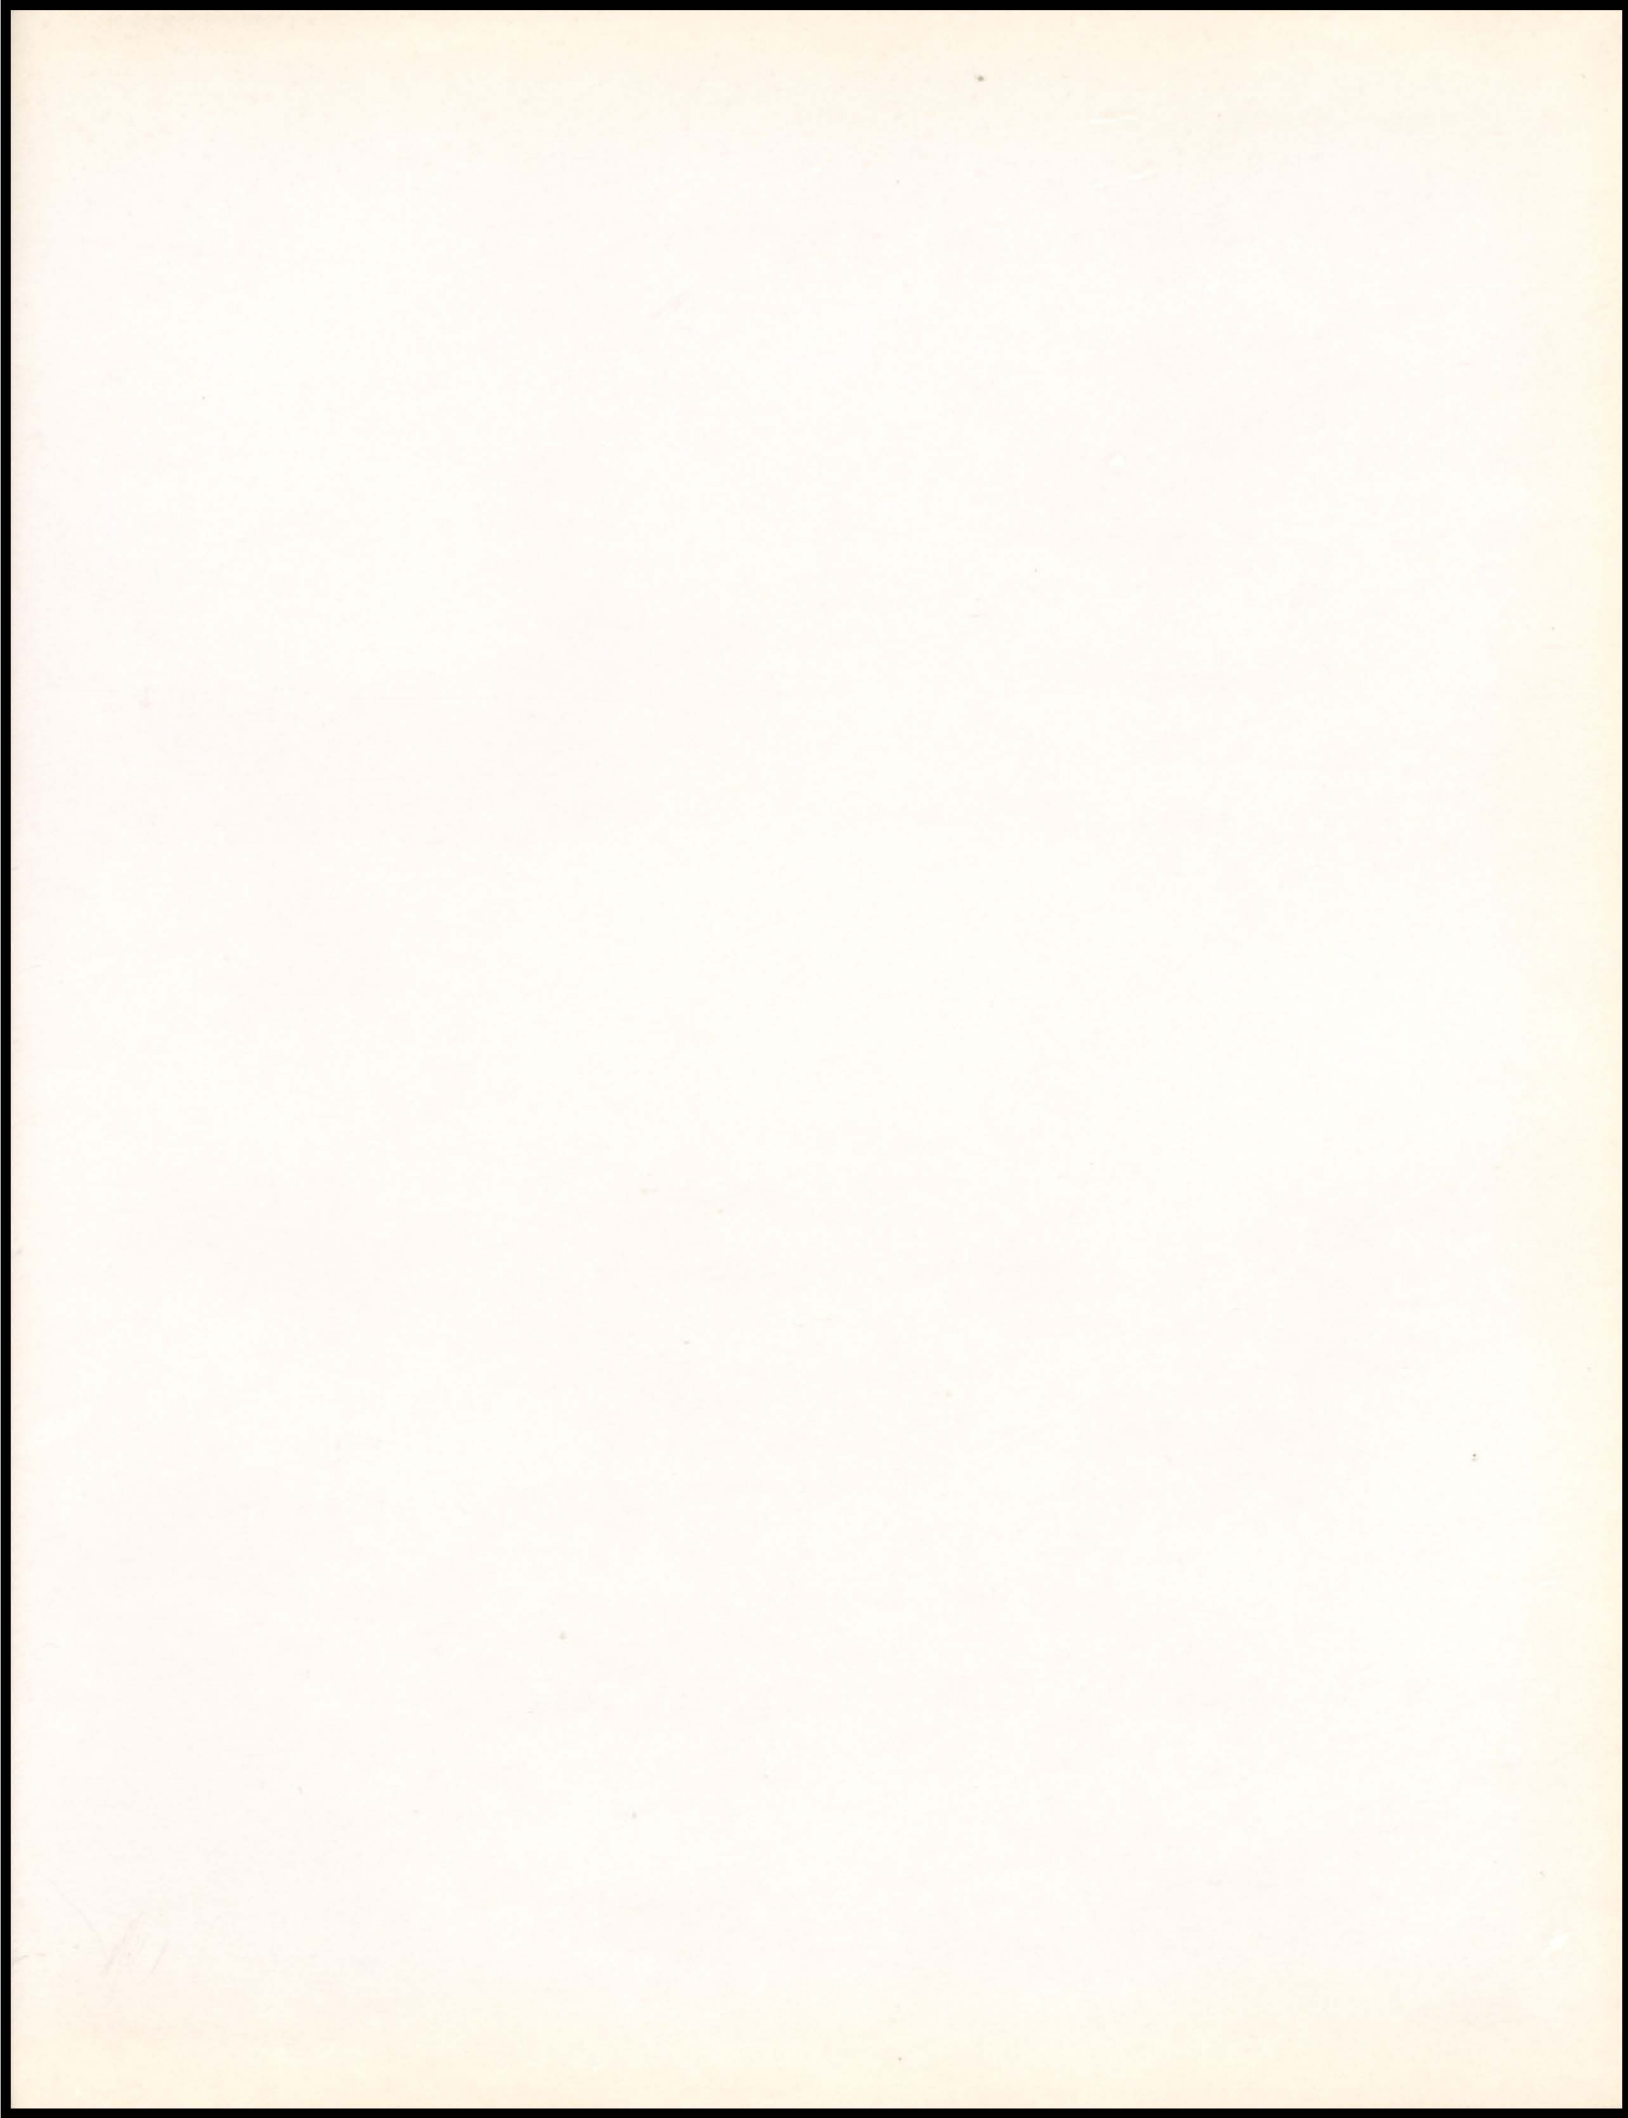

In order to make the yearbook more interesting we have made many changes and additions this year. All thanks and credit should go to the new members of the staff. Without the slightest knowledge of where to begin they have done an excellent job.

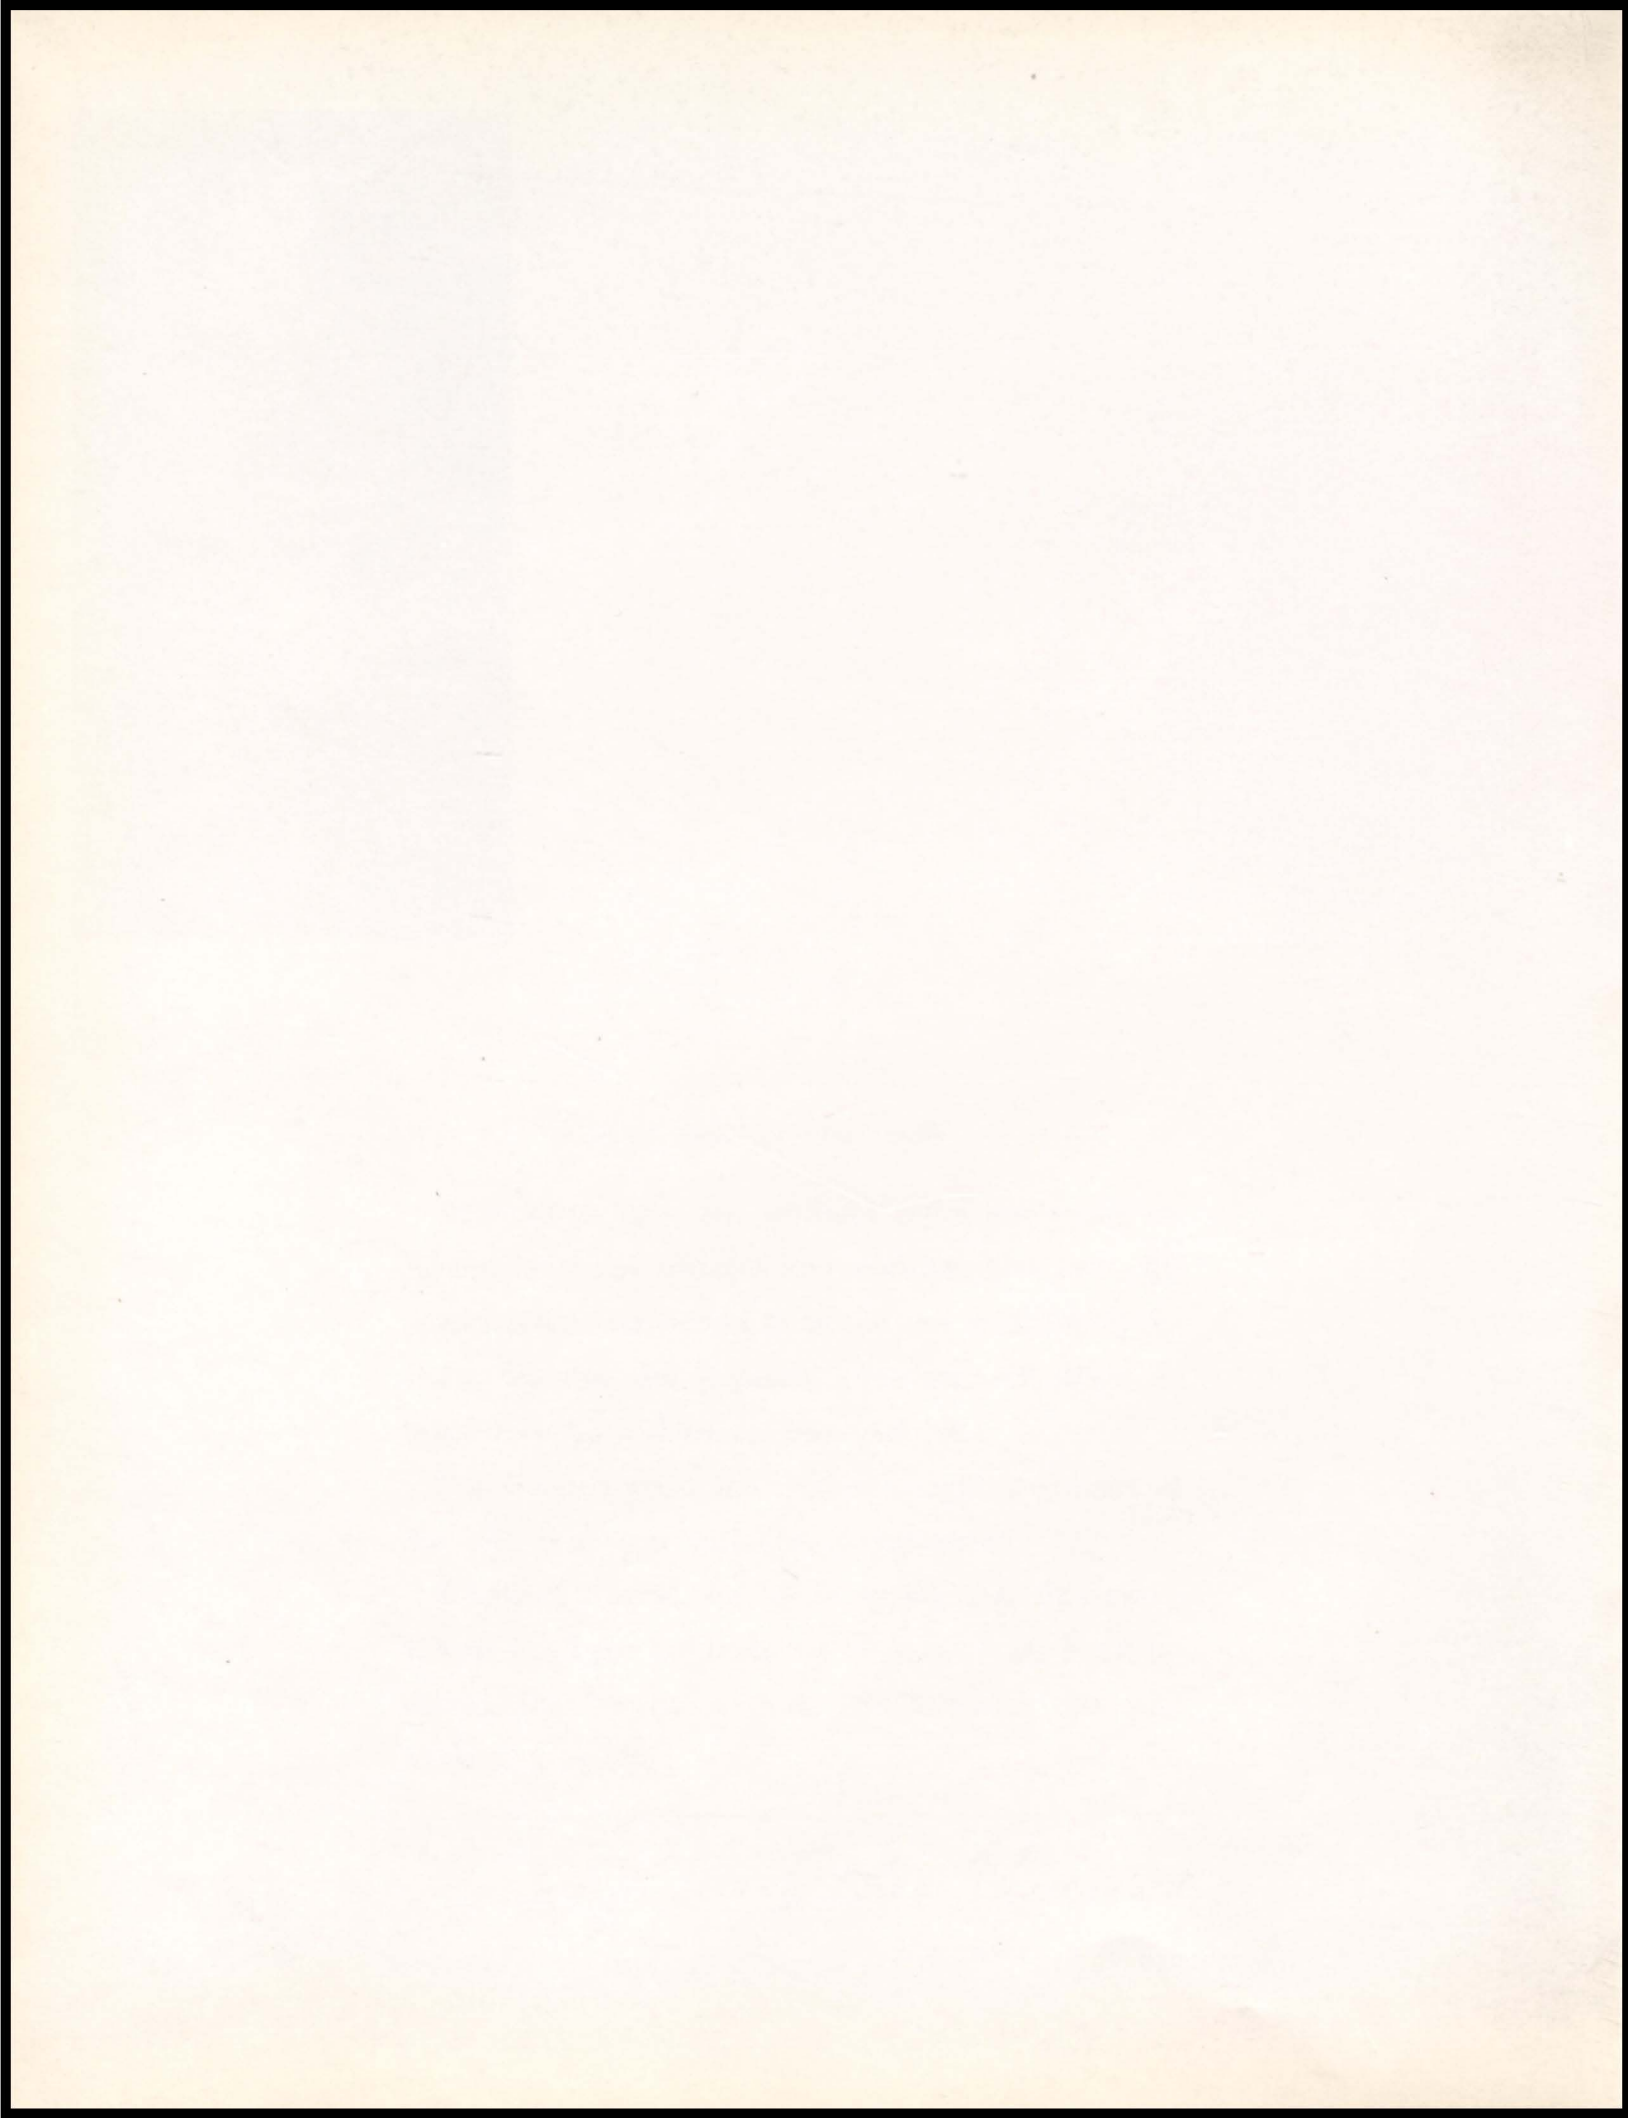

I personally hope this annual caught a portion of the year that you will always remember.

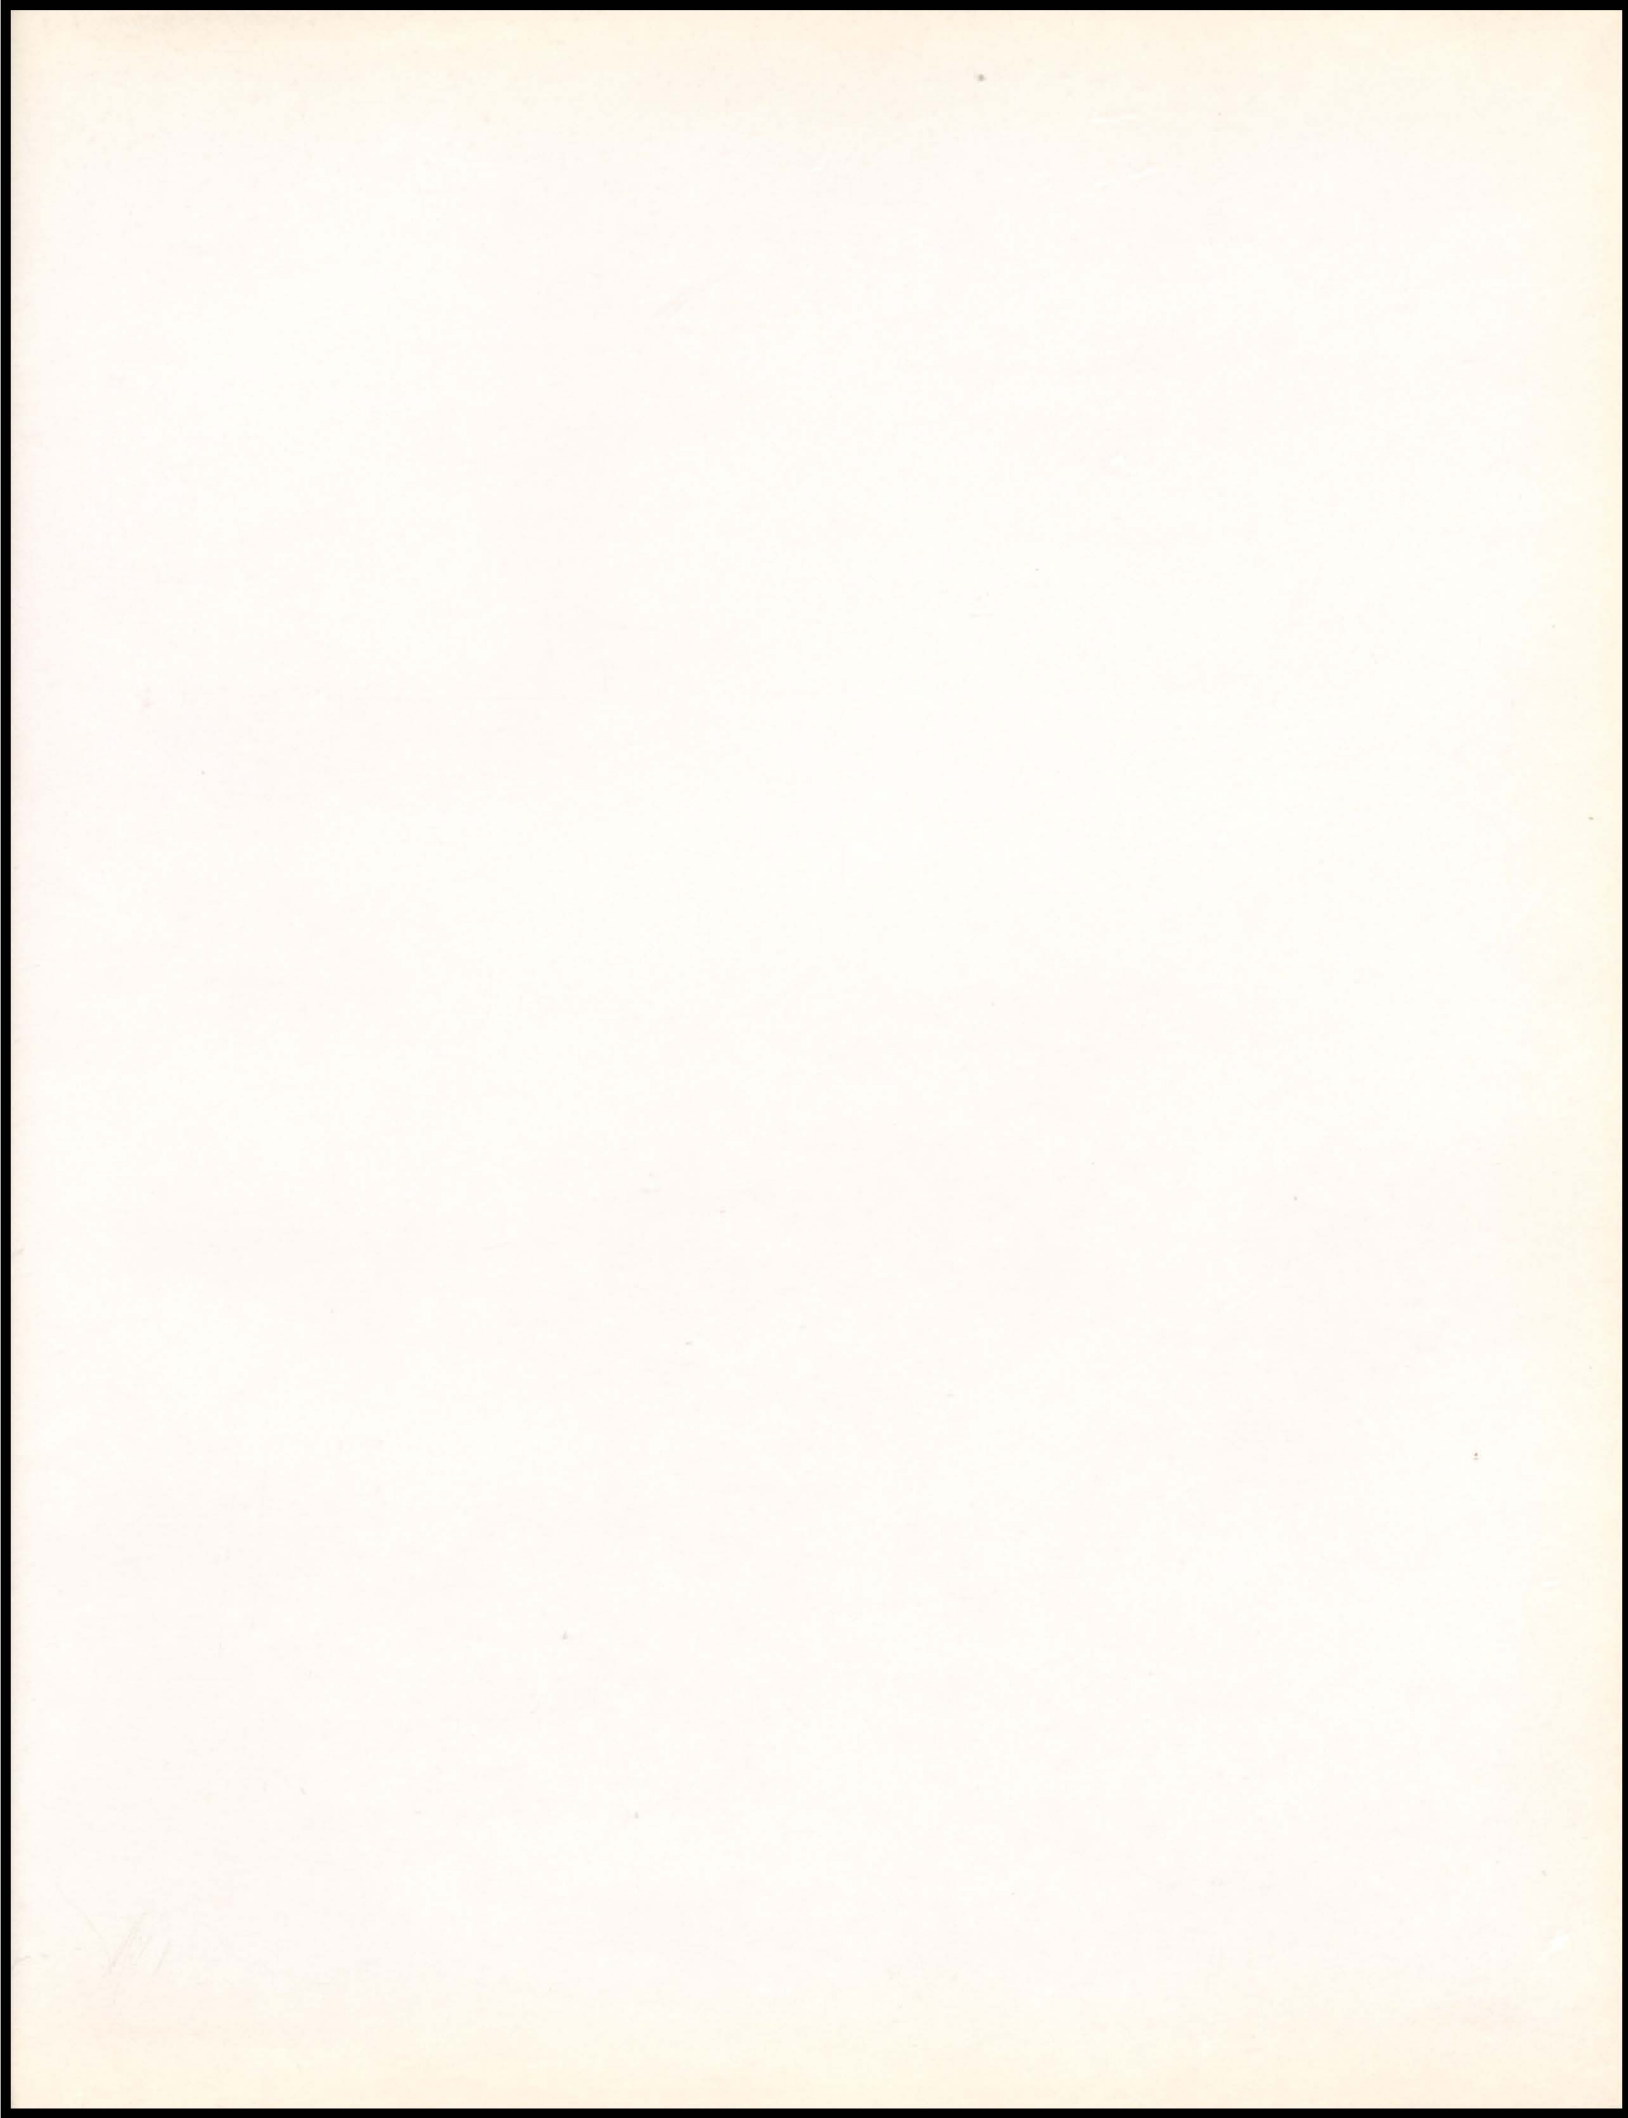

I believe I speak for all in saying that this year's annual has been the best, not because of the work involved, but because of you, and everyone else who made it possible.
